

ST. ANN'S WINTER CLOTHING DRIVE

St. Ann's Creation Care team will be collecting winter clothing to donate to Maine Needs and the Windham Clothes Closet.

When and Where to Donate

- **Sundays:** November 1st – December 20th. Please place items in the bins located in the narthex.

Donation Guidelines

Item condition: All items must be new or gently used; clean and free of stains, odors, tears, and pet hair.

Packing instructions:

- Use paper bags or small plastic shopping bags you do not need returned for small items.
- Coats do not need to be bagged.
- Avoid large plastic bags containing multiple items, as these make sorting more difficult.

Suggested Clothing Items

Babies (0–24 months)

Warm clothing: buntings, jackets, hats, and mittens; baby socks and booties.

Children (2–18 years)

Winter boots, winter coats, mittens or gloves (waterproof preferred), warm hats, and socks.

Adults

Winter boots, winter coats, waterproof gloves, hats, and socks.

Anyone who would like to make a donation but is unable to deliver items to St. Ann's may email Deb Johnson at debj2500@gmail.com to arrange for pick up.
